Watchmaking Bench Mats

PRODUCT OVERVIEW

Soft, resilient bench mats designed for watchmaking and precision repair. The cushioned work surface helps absorb impact and protect delicate components, while the non-slip backing keeps the mat securely in place. Washable and easy to clean for everyday workshop use.

Contoured Bench Mat

Model: BJTD-01

Contoured design developed to fit BIAOJIANG watchmaking workbenches.

Technical specifications

DIMENSIONS	320 x 240 mm
