LED Watchmaker's Desk Lamps

Flicker-free task lighting for precision watchmaking and repair

PRODUCT OVERVIEW

Two LED task-lighting options designed for professional watchmaking and repair. Both provide flicker-free illumination, high color rendering, and flexible positioning for detailed bench work. Two mounting options are available to suit different workstation layouts.

PRODUCT HIGHLIGHTS

- **Two Lighting Options**
  16W dual-color / 30W full-spectrum
- **Flicker-Free Illumination**
  Stable lighting for precision watchmaking
- **High Color Rendering**
  16W: CRI Ra ⩾ 95 / 30W: CRI Ra ⩾ 97
- **Flexible Positioning**
  Adjustable arm with two mounting options
